

Christ Church CofE Primary School

Friday 7th July 2023

In school this week we have celebrated Geography Fieldwork week with all children taking part in fieldwork activities (year 1 and 2 to be rearranged) and we have had our year 6 leavers service this week. All of the year 6 children lit a candle to represent them moving on to the next part of their journey through education.

Cost Of a School Meal

From September 2023 the price of the set two course school lunch is being increased by 20p per meal from £2.40 to £2.60 per day. School meals continue to be free for all children in Reception, Year 1, and Year 2 as part of the on-going commitment to Universal Infant Free School Meals. The cost of a meal will increase following the summer holidays and will be in place from the first day back at school in September.

If you think you may be entitled to free school meals (even if you are in reception, year 1 and year 2) please use the following website to check: <https://my.northtyneside.gov.uk/category/238/free-school-meals>

To pay for school meals please see the following website:
<https://my.northtyneside.gov.uk/category/237/pay-school-meals>

Uniform Shwop Scheme at Marks and Spencer

This year M&S have added a Shwop Box in over 300 stores specifically for customers to return any item of school uniform, from any retailer, including those with school badges on as long as the items are clean and of good quality.

Items donated will give other families access to affordable, great quality, pre-loved school uniform from Oxfam shops or online via Ebay. Shwopping is great news for both the sustainability of the planet and families during this cost of living crisis.

As a thank you, M&S Sparks customers who donate their pre-loved school uniform can scan the QR code on the Shwop Box and receive 20% off kid's daywear (only once a month). Please note that only Sparks customers can obtain this Shwopping discount offer so customers may wish to sign up to Sparks in advance via the M&S app.

In addition, at the moment Marks and Spencer are offering an early bird offer of 20% off selected items of school uniform until 17th July 2023, after having already locked uniform prices for the third year running.

KEY DATES

NSPCC WORKSHOPS Y5 & 6 - MON 10TH JULY

End of Term - Thurs 20th July

Autumn Term 2023 starts on Tuesday 5th September

Y5 Fieldwork

Year 5 looked at o.s. symbols used to mark points of interest on maps and even creates some of our own. We planned a route to the fish quay which took us past the site of the former Wilkinson's lemonade factory (which we studied in history), We identified places of significance on our route and used this to create journey strips back at school.

Y6 Leavers' service

Thank you so much to Dorothy who led a special service in church for our wonderful year 6 pupils. It was lovely to see so many parents there to join us for our last church service of primary school.
