

## **Year 3 Spellings-Yellow Group-Autumn 1**

When supporting your child with learning their spellings it is useful to use the 'Look, Cover, Write, Check' method where children are encouraged to read the work, cover it up and attempt writing it independently before checking their work. This is the method we also use in school. If you have access to the internet, please use the Spelling Shed website and your child's individual login to practice their spellings.
