

Christ Church CofE Primary School

Friday 19th May 2023

I am always impressed with the pupils at Christ Church, but I have to say that the last two weeks I have been blown away. Year 6 and year 2 had their SATS which are tests set by the department of Education and are carried out in formal test conditions. I know that a lot is currently being discussed about how hard these tests were in the press. Despite how challenging they were, each and every child worked so hard and tackled each question with resilience and a can do attitude. During the tests, I looked around at the children and felt a huge sense of pride for them and all of their teachers who have distilled this attitude in them. No matter what the results show, the children of Christ Church are amazing and nothing can tell me otherwise.

Year 5/6 Girls' football

Well done to our girls' football team with an impressive start to the league! We played Marden Bridge first, securing a 1-0 victory. In game 2 we played Waterville where we played some brilliant football, narrowly missing out on another win with a 2-1 result to Waterville. We are looking forward to the next round of fixtures.

Year 6 Hoodies!
It is that time of the year already – you may have seen our children wearing their leavers' hoodies around school. Thanks to Global Embroidery for this year's hoodies.
