Once upon a time in a land of dreams, there lived a star named Twinkle. Twinkle loved to explore the night sky and make new friends with the other stars. Every night, Twinkle would shine brightly casting a warm glow over the world. Children would look up and make wishes upon Twinkle's light. And, as they drifted off to sleep, Twinkle would watch over them, wrapping them in a blanket of gentle light, bringing sweet dreams and a peaceful sleep to all. The End.
