

Christ Church CofE Primary School

Friday 10th November 2023

KEY DATES

December 7th is the Children Society
Christmas jumper day.

This year we are going to take part but with a twist. We are asking children to bring in an old T-shirt that they would like to change and/or decorate so that they can wear it on the 7th December. Ideally a plain t shirt in a light colour as this will be easier for the child to decorate. If we could ask for T-shirts to be in school by Friday 1st December. Please make sure that they have your child's name in. If anyone has more than 1 t-shirt that they are able to donate these would be more than welcomed.

Please just ask if you have any issues.

We have an exciting opportunity for any parent to join our school governing body. Please see the school office for further information.

Year 4 Skipping

Year 4 had a fantastic session with Gail from Skipping School. They were taught the skipping skills needed for a festival in March. Gail had some fantastic feedback about the session. 'What a fab class! They were very resilient, well behaved and supportive of each other as well as having impressive skipping ability! As ever, it was an absolute pleasure to be at your wonderful school 😊' We can't wait to see everyone from the Skipping School in March to show them how our skipping skills have improved.

Year 3 Stone age day

The miserable weather didn't stop Year 3 from having a brilliant trip to the Rising Sun Country Park just before half term. They completed a number of Stone age workshops and the leaders were super impressed with their knowledge around the topic. All of the children enjoyed making their own flat breads from scratch and cooking them on the open fire, modelling what life would've been like during this period. Everyone agreed it was tiring and very hard work!

Christ Church Sports news

A big shout out to the boys football team for another superb effort in the latest round of fixtures of the Littleton Football league. The boys secured a fantastic 3-0 win against Waterville Primary and they kept their heads held high and continued to dig deep, despite losing 2-0 against a strong New York team. They are currently 4th in the league after two rounds. The next round of fixtures will be held in the Spring term. Keep it up boys we are super proud!

Extra-Curricular clubs this term

Monday- Netball

Tuesday-KS2 Football Access Coaching

Thursday-Yr 3/4 Dodgeball

These clubs are a continuation from last half term

Mrs Smith will be working with her Sports Crew-Sports leaders to start planning for new clubs to start in the Spring term.
