Dear Parents and Carers,

### School Website

During lockdown we needed to use Seesaw and Google classroom so much more than normal because the children were not in school. Now we are fully re open, staff are unable to maintain that level of communication due to them planning and teaching all children in school. Our school website does have class pages that are updated with spelling lists, photographs and what we have been up to sections.

[christchurchprimary.org.uk/web](http://christchurchprimary.org.uk/web)

We will continue to use SeeSaw, Google classroom and Marvellous Me to share information. If you need help accessing any of these please just ask and we can help.

### Covid Guidelines

Just a reminder that guidance has not changed for COVID testing in schools. We know there are a lot of colds and other bugs going around at the moment; however, if your child has a new cough, high temperature or loss of taste or smell please make sure that they have a PCR test before returning to school. Do not assume it is just a cold. Cases are rising at an incredible rate and we want to make sure that we keep all children, staff and parents safe.

### School Uniform Shop

Just a reminder about our school uniform in school. Our uniform policy is available on our school website, please make sure your child has the correct PE uniform for PE days in school. We do have lots of spare uniform and lost property in school. If you are in need of any items at all please just pop into school and we can help you.

I hope you have a lovely half term holiday,

See you Monday 1st November,

Mrs Bradford

### Football Skills Day

We had a fabulous day on Wednesday. Jamie Knight the world record holding football free-styler was in school teaching us all tricks and skills. Check out twitter and our website for some action shots and links to what we got up to.

### Harvest Videos

We did celebrate Harvest in school and classes have produced their own videos of work and songs they have practiced. These will be sent to you once completed.
