Thursday 18th July - School Closes for Summer

Primary Provisions is now open!

Our school shop Primary Provisions opened this week with a huge variety of items available, including potatoes, Easter eggs and yogurts.

The cost of food in supermarkets feels like it is going up each week, and the introduction of our shop will, hopefully, ease so of the pressure on families.

Membership of the shop costs £4 per month (£1 per week) and for that you will be able to choose a select number of items each week, this week it was 10. (this may change depending on the stock we have)

The shop will be open every Wednesday from 2pm-3.30pm and is located just before you get to the main entrance.

In order to use the shop, please sign up using parent pay. Please join up, we would love to see you.

This week for £1 you could have had-

1. A box of Thornton's chocolates
2. A bag of potatoes
3. A box of tomatoes
4. A whole cucumber
5. A tub of cream cheese
6. A selection of yogurts
7. An Easter Egg
8. A juice drink
9. A tub of gravy granules
10. A tin of peas

NOW OPEN

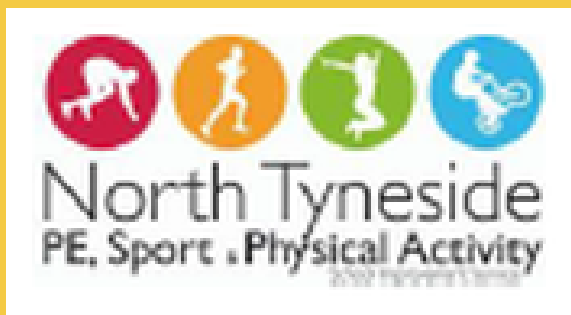

Year 2's dinosaur hunt!

Year 2 went on a dinosaur hunt on Tuesday. We found photos that a dinosaur had been in school over the holidays so went out to see what clues or evidence we could find.
We found a dinosaur egg!

Each year pupils and staff across North Tyneside come together and take part in the "Active Mile Celebration Day". Check out the pictures of this year's event!

Active Mile Day

Year 6 Festival of Languages

On Thursday, Year 6 visited the faculty of languages at Newcastle University to participate in a Chinese culture workshop. We spent some time learning greetings and how to count to 10, and the learnt how to write using calligraphy.
