Welcome Back

I hope you had a fantastic holiday and managed to enjoy some of the sunshine we had.

I have been so impressed with the way that all of the children have come into school this week. From our smallest new starters, to our years 6s, they have worked so hard and behaved fantastically, we are so proud of them.

Although Covid restrictions are now gone, we are still working really hard in school to minimise the risk of infection spreading by regular hand washing, minimising contacts, and well ventilated areas. Please help us by ensuring that you arrive on site at pick up and drop offs at the correct time and leave promptly. We really appreciate your support with this.

Parents Evening this year will be week beginning 4th October. We will let you know nearer the time if this will be face to face or virtual.

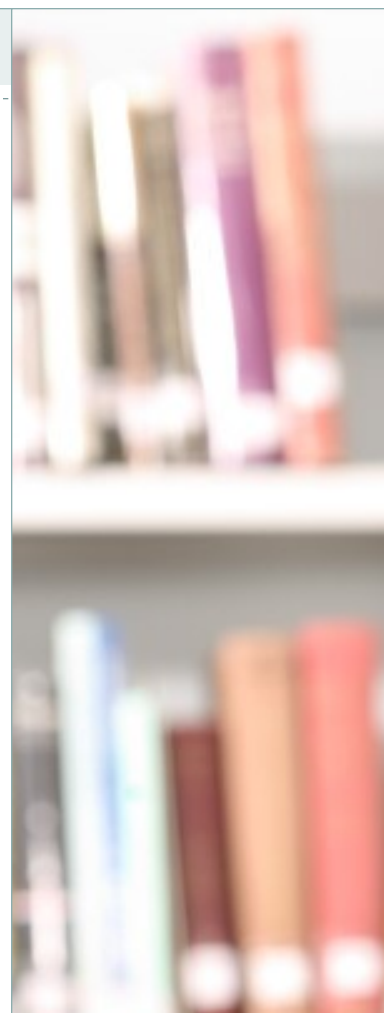

We have Marvellous Me up and running again this year. We will use it to send all letters and information to you. Please make sure that you have it downloaded and are able to use it. If you require a paper copy of letters, please let the school office know and we will organise it for you.

We are hopeful for a more normal year which will involve lots of opportunities for you to visit school and take part in events. There are coffee mornings, productions and workshops all currently being organised– Fingers crossed we can share these plans with you soon.

I hope you have a lovely weekend,

See you Monday,

Mrs Bradford

Times Table
Rockstars and
Numbots day

Friday 10th September

Come to school dressed as a rock star or pop star for a day full of times table and number fun.
