

Christ Church CofE Primary School

Thursday 20th July 2023

Today marks the end of the 2022/2023 academic year. We would like to thank all of you for all of your support this year, it really has been appreciated.

Huge congratulations to our year 6 leavers, you have worked so hard and been superstars. The hall was filled with tears and laughter this morning as we watched the traditional leavers assembly. During the performance, we were reminded about all of the trends that the children have seen during their time in primary school. From bottle flipping, to fortnite dances, from singing happy birthday whilst washing your hands to virtual assemblies. All held together by the fantastic Marty McFly and Doc. We wish you lots of luck as you move on to your new schools- they are lucky to have you join them. I hope you all have a lovely summer holiday and we look forward to welcoming you back on Tuesday 5th September.

Summer Holiday Food Support

North Tyneside Council knows that this has been a very difficult year for many people across our borough, and we have worked hard to ensure that families and individuals who need our help get as much support as we can give.

The government has provided us with some Household Support Grant funding to support families with the cost of food in the school holidays. This is part of a wider approach across North Tyneside by the council to help people in response to the rising cost of living.

We are using the Household Support Grant funding to help those families whose children are in receipt of free school meals because they meet the income related benefits criteria. We have used the Household Support Grant to ensure that all eligible families receive £90 per child for use during the Summer Holidays.

The voucher code will be paid for each child through an online account managed by Edenred, a company well-known for working with schools and other organisations to provide this kind of help. The voucher codes can be used in most supermarkets, either in store or online. The codes have activation dates, this will be 24th July, families must redeem the voucher during the Summer Holidays.

This is a one-off food grant to support families and help to manage the additional expense they will have during the Summer Holidays when children do not receive free school meals. The codes on the Edenred system must be used three months from receiving these.. Any not redeemed will be removed from the Edenred system and will not be able to be reissued.

Edenred will contact you by email to let you know your voucher is ready to be downloaded. instructions will also be included when they contact you and details of the help desk to support you if you need it. If you have a general query about the vouchers over the Summer Holidays, you can contact the Participation Team on the email above.

Queries will be dealt with 10.00–11.00 and 3.00–4.00 Monday to Friday until Monday 25th September. Please ensure that your email contact includes all the relevant details including your child's name, school, and the issue you have.

During the summer holidays the ease INTO (Holiday Activity and Food) Programme is also available to children to access. The program provides fun, enriching activities, and nutritious, tasty food in the school holidays. You can register and book your child's place for the programme in advance of the school holidays by visiting the ease INTO page on the North Tyneside website.

Year 2 design technology

Year 2 made fruit kebabs in design technology, learning how to chop and slice safely and then enjoy a healthy snack.

Year 1 Teddy Bears Picnic
