Friday 16th February 2024

## Eco Shop

As you know we have been working on developing a shop that will be within school grounds. We held a competition earlier in the term to name it and the winner was 'Primary Provisions'. We were lucky enough to receive a grant from North Tyneside council to set up the shop with the aim of being able to provide food at cost price to our local community. The shop will be open on a Wednesday from 2pm and will sell fresh fruit and vegetables alongside tinned and other ambient goods. Our pre loved uniform shop will also be moved over to the shop.

Children from school will be given the chance to work in the shop on a rota basis so that over the course of a year everyone gets a chance. We are still working on the exact costings and exactly how it will work but our vision is to have anyone that wants to use it to become a 'member' and pay a monthly subscription via parent pay of approximately £4. They then would access the shop and take a set amount of chosen items per week for no additional cost. The shop will be non profit making with any additional money raised going back into the shop to replenish uniform and produce.
