Winning House Treat Friday 22nd December am

Whole School Talent Show Friday 22nd December pm

The dangers online are significant and can be a difficult thing to navigate. Apps such as Roblox can have hidden dangers that we are not always aware of.

But is Roblox safe for kids?

Roblox allows players to create their own experiences — which means that lurking within this \$38 billion gaming platform is a dark underbelly of inappropriate adult content, cyberbullies, scammers, hackers, and online predators

We are hosting a workshop in school for parents run by Clenell Education Solutions. It equips parents with the tools to effectively support their children when it comes to the online world. It prepares parents for what their child may be subject to / accessing as they get older and provides them with the skills and understanding to reduce the risks around this. The session is interactive; parents will have the opportunity to ask question and the session includes videos to support the delivery of the key messages.

Thank you to all those that have already signed up. If you would like to join us there is still time.

The session will be held at 9.15am on Friday 27th October in the school hall- refreshments will be provided.

If you would like to attend please sign up using the attached form

# Sports News

It was the first round of fixtures in the Littleton League this week for our boys Football team. They played amazing in all 3 of their matches and there was some outstanding team work displayed.

Results:

won-St Cuthbert's 2-0

Won- Whitehouse 2-0

Lost-Collingwood 0-1
