Year 4 Commando Joe's

Year 4 started their Commando Joe's missions. The first mission was to build a bridge over a river. There were fantastic ideas and amazing teamwork shown by each group.

Our amazing year 5 and 6 children have done a fantastic job representing our school today down at the fish quay for the unveiling of the Herring Girl statue. The north east press were filming so keep your eyes peeled on the local news- we may just be featured! I will share photographs of the event next week.

I know several of you have let me know that you are unable to see photographs shared via Marvellous Me. I have been working with them today to try and fix the issue. I hope to have it working correctly very soon.

Have a lovely weekend!

Year 2's French lesson with year 6

Year 2 had a wonderful treat on Thursday afternoon as year 6 joined us to teach us how to sing 'Head, shoulders, knees and toes,' but in French! We were really impressed with their knowledge and loved joining in once they had taught us some of the words.
