Friday 1st March 2024

CATERING PROVISION FROM 1ST APRIL 2024

North Tyneside Catering Services will no longer be providing any catering services to schools from 1st April, they will cease to be our caterer at Easter and so it is important that parents do not overpay this half-term. Your last payment should be for the week commencing 25th March, but remembering that Friday 29th is Good Friday and therefore the last meal served will be Thursday 28th March.

Our new caterer will be Mellors who are a large, established company. We made this decision having looked at their offer in comparison to other providers and we believe that the quality of their food is better than that currently being served and better than that provided by other companies.

Mellors will be liaising with us about their menus and logistics over this next half-term. The key difference for parents / carers is that money will be paid directly to school.

As the school will be liable for any debts, we will not be able to allow any debts to occur as this would directly impact school budgets and children. We will explain more about this in specific catering letters. I will be sending out further communications for parents / carers around this change.

Science - Electricity

In science, Year 4 have been completing a series of challenges to create complete circuits. There has been some amazing problem solving and lots of great communication when working together.

North Tyneside Bikeability will soon be delivering a Bikeability Level 2 course at Christ Church for Years 5& 6.

If you would like your child to take part, please ask for a letter and return the permission slip to book their space as soon as possible. Limited Spaces available. Your child will take part in one full day course on one of the following dates:

Tues 26th March, Wed 27th March or Thursday 28th March.

What will Your child need in order to take part?

NOTE: Your child does not need to have previously completed a Level 1 course in order to take part in Level 2 training.

- A signed and completed consent form (Letters offered in class)
- A roadworthy bicycle, with two working brakes.
- Suitable clothing for the weather conditions (incl. gloves during cold months).
- The ability to ride capably without stabilisers.

On Friday 8th March 2024, the Biggest Ever Girls Football Session is back, and we will be supporting the campaign.

What is #LetGirlsPlay?

The FA's aim is for girls to have the same football opportunities as boys in schools and clubs. #LetGirlsPlay is a campaign to influence and drive change, showing that football can and should be played by girls. It is bringing together a growing community of people of all genders, ages and backgrounds who want to champion equal access for girls.

Please ensure your child comes dressed in their school PE Kit if they are in Years 1-6 to participate in our fun football morning.

#LetGirlsPlay Biggest EVER Football Session!
