TRIP TO GRIMSBY FOR YEARS 5 & 6

Years 5 & 6 had a wonderful trip to Grimsby this week. Both the museum and the Ross Tiger fishing trawler were both informative and interactive. The visit gave the children and staff an insight into how gruelling and dangerous fishing expeditions once were. Additionally, how life would have been like on our fish quay many years ago. Big thanks once again to Terry and his team of volunteers at NSFHP, for funding the trip and joining us for the day.

Forest school

Every Friday Nursery, reception and year 1 join together for a morning of forest school. This week they used the fire to toast bagels and make popcorn.

The Children also built a carriage for the Kings Coronation using loss parts.
