Dear Parents and Carers,

Thank you so much for your support with the Christmas productions and the raffle. We raised £266.00 for school fund. School fund money is used to by equipment and resources for all children in school. As we move through the year, we will hold more fundraising events and update you with what we spend the money on. If anyone would like to join the Friends of Christ Church fundraising team please contact school– the more the merrier!

PE Uniform

PE days in school still require wearing the school PE uniform– it is not a non uniform day. We have lots of spare PE uniform in school if you require it. Please just ask.

Jewellery

Lots of children have received some lovely jewellery for Christmas but please can I ask you not to allow your children to wear it for school. It is not part of our uniform policy and due to the equipment that we have in school, it could be dangerous.

Punctuality

I know the days are much colder at the moment and getting out of bed can prove a challenge but please remember school starts at 8.55am. We have a significant number of late comers and this impacts heavily on the office staff. Five minutes late each day doesn't sound a lot but it works out at almost 2 hours of learning time each month. This can have a serious impact on the progress your child makes. This is especially important with the younger children as being late means that they miss out on phonics learning every day.

Nuts In School

We have children in school with serious nut allergies. Please can you ensure that any packed lunches or snacks do not contain nuts as this could have serious consequences.
